

**INTERNATIONAL SCIENTIFIC-TECHNICAL
CONFERENCE
CURRENT PROBLEMS of TRANSPORT
ICCPT 2019**

Transport systems development and their integration provides the increase in cargo carriage speed within international transport network; improve transport safety and transportation routes optimization. Research of actual transport problems covers a wide range of topics such as: development of fundamentals of logistic management description, study and summarizing of global experience of automobile, railway, air infrastructure development; discussion of traffic safety, diagnostics and technical service issues. The investigation also involves the development of methods of pipeline transportation systems components strength and longevity estimation taking into account the whole complex of structural and operation factors. The conference is one of the meetings dedicated to the consideration of the problem investigation findings.

PURPOSE

International Scientific-Technical Conference "Current Problems of Transport" will make possible to analyze and summarize the results of the latest theoretical and experimental research of transport systems, to propose some ways of development of transport infrastructure of Ukraine and Eastern Europe.

WELCOME TO TERNOPIL

Ternopil city is located in the western part of Ukraine. Breathing landscapes, holiday destinations, rivers and lakes, national nature reserves of the region attract tourists from all over the world. Nowadays Ternopil is one of the administrative, economic, educational and scientific centers of Ukraine.

As a conference participant You will have a chance to get acquainted with the sights of the region. Pleasant unforgettable experiences will inspire Your future creative success.

ARRIVAL

You can get to Ternopil either by railway or by motor transport. The nearest international airport (the city of Lviv) is at a distance of 132 km. Those participants who are going to arrive from Lviv or Kyiv will be provided with arrival details to choose the best route.

CONTACTS

Ternopil Ivan Puluj National Technical University
56, Ruska St. Ternopil, 46001, Ukraine

Organizing Committee

Chairman

Petro Yasniy Ukraine

Co-Chairmen

Anetta Zielinska Poland
Pavlo Maruschak Ukraine

Secretary

Volodymyr Dzyura Ukraine

Andriy Buketov	Ukraine
Abdellah Menou	Morocco
Alexandr Bogdanovych	Belarus
Bohdan Hevko	Ukraine
Denis Kapski	Belarus
Dominik Zimon	Poland
Feliks Stachowicz	Poland
Ihor Murovanyi	Ukraine
Ivan Rogovskii	Ukraine
Ján Viňáš	Slovakia
Marcin Kicinski	Poland
Pavlo Maruschak	Ukraine
Viktor Aulin	Ukraine
Viktor Bilichenko	Ukraine
Vladimir Klimuk	Belarus
Volodymyr Sakhno	Ukraine
Yevhen Fornalchyk	Ukraine

CROSS-SECTIONAL TOPICS

- current and advanced design of vehicles;
- development of parts production technologies and technical service of vehicles;
- improvement of technologies of transport processes and traffic safety;
- increase of reliability of vehicles performance and motor transport enterprises and systems;
- automobile transport logistics;
- economics, management and sustainable development of automobile transport;
- current transport technologies and mechatronics.

Official languages of the Conference

Ukrainian, English, Russian, Polish
